Sir,

Subject:- Opening of a fair price Depot by the Tumkur Town Municipality for the supply of fuel and charcoal to the public.

==========

In forwarding herewith in original the letter received from the President, Town Municipal Council, Tumkur on the above subject, I have the honour to state that in view of the sudden emergency arising out of the acute shortage of these essential commodities in Tumkur Town and the great difficulty experienced by the public in obtaining them at a reasonable price the opening of a Fair Price Depot by the Municipality was absolutely necessary and was accordingly done with the co-operation of the Forest Department.

I may also add that the Depot has already been opened and has been functioning from this month and it is expected that the transactions may result in a small profit to the municipality or at least there will be no loss on this account in view of the margin between

between the purchase and selling [illegible]

In the circumstances, I reque[illegible] that sanction of Government may kind[illegible] be obtained to the resolution of the Municipality enclosed.

I have the honor to be,
S i r ,
Your most obedient servan[illegible]

Deputy Commissioner,
